

Fixed Length Transfer Tape/File Layout
03/16/2018

This layout is used for the Supp, Appr, Prelim, and Levy transfer tapes. Each record is 4096 bytes long, with the 2560th byte being the record type indicator. There are six different record types: 1-Header, 2-Data Records, 3-Totals Record, 4-A/S Codes, 5-Agent Records, and 6-Mobile Home Records. The record sets will be separated on the tape by a single record containing the characters '**EOF**'.

RECORD 1 - Header Record
